Information about our Menus

Nothing says holidays more than family and friends gathered around the table for a huge spread of traditional homecooked foods.

Our holiday menu is sure to bring all the feels of the holidays to your event. Whether it's your company's holiday party or a gathering of family and friends for the season. Let us take care of the cooking!

Classic Holiday Pairings:

We have taken some of our favorite and most popular dishes and paired them to create packages that have everything you need to wow your guests.

Want to get creative and customize a menu that best suits your group? No problem! Contact one of our event specialists and we would be happy to walk you through customizing and creating the perfect menu.
